

RESOLUTION 10-14

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE TWENTYNINE PALMS WATER DISTRICT PROVIDING FOR THE AUTHORITY OF GENERAL MANAGER TO DEPOSIT AND INVEST FUNDS OF SAID DISTRICT

WHEREAS, the Board of Directors of the Twentynine Palms Water District (hereinafter "District") believes that public funds should, so far as is reasonably possible, be invested in State of California Local Agency Investment Funds, or deposited in financial institutions or liquid money market accounts to the extent authorized by the California Government Code, produce revenue for the District rather than to remain idle; and

WHEREAS, it is impractical for the Board of Directors of the District to take individual action authorizing the investment of such funds in permissible investments under Section 53601 of the California Government Code when funds are available and not needed for varying periods of time, and the Board of Directors of the District does find and determine that the General Manager of the District should be authorized to invest such funds in accordance with the provisions of Section 53635 of the California Government Code.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Twentynine Palms Water District that the General Manager of the District is hereby authorized to deposit for safekeeping, as far as possible, all money belonging to, or in the custody of the District, pursuant to Section 53635 et seq. of the California Government Code and within the limitations set forth in "Addendum A" "Statement of Investment Policy" attached hereto as part of this resolution.
